23 New Cases - 4,849 Cases Total in Livingston County

Livingston County, IL – Twenty-three residents of Livingston County have tested positive for COVID-19 (coronavirus disease). Sadly, one more resident has also died due to complications related to COVID-19. The individual was a female in her 70s. Livingston County Health Department (LCHD) officials were notified of the new COVID-19 cases and death between May 18-24, 2021 in accordance with state and local public health protocol.

As of May 24, 2021, the LCHD has received 114,641 COVID-19 test results. Of that, 4,849 COVID-19 tests have been positive, 109,792 tests were negative, 4,741 of the previously reported cases have been removed from isolation, 21 cases remain active, and, sadly, 87 cases have resulted in death due to complications related to COVID-19. For details on the previously reported cases and up-to-date information for Livingston County, IL, community members can visit the LCHD's website: www.lchd.us.

COVID-19 testing is available in Livingston County at local pharmacies, including Walgreens and CVS, by appointment. Drive-thru and walk-up testing is also available at the Interstate Center (1106 Interstate Dr, Bloomington, IL) every Monday, Wednesday, Friday, and Saturday from 9:00am to 5:00pm. For those requiring PCR testing for travel, appointments are available through CampusTown Urgent Care in Bloomington and Champaign. More information can be found on their website: <https://covidtest.center/>.

Individuals who travel to hot spots in the country, those areas where higher rates of confirmed COVID-19 cases are reported, are strongly encouraged to get tested for COVID-19 5-7 days after returning from their trip or sooner if experiencing symptoms. People can track confirmed COVID-19 cases in Illinois by county and zip code by visiting IDPH's COVID-19 statistics site: <https://www.dph.illinois.gov/covid19/covid19-statistics>, and may also track confirmed cases nationwide by using CDC's COVID-19 tracker tool: <https://www.cdc.gov/covid-data-tracker/#cases>.

The LCHD will continue to work diligently to meet the everyday needs of county residents while aggressively addressing the on-going COVID-19 pandemic.
